Members at Large - [FLN – Members] that are current with their membership dues, but have not attended a **Chapter Meeting** in the **last ninety (90) days** shall be reclassified and listed as **Members at Large**. Members at large are still be eligible to enjoy the benefits of [FLN – Membership] but shall not be published on the [FLN - Membership Grid] to give other qualified candidates an opportunity to fill open areas of practice within each Chapter.

[FLN – Members] are strongly encouraged to attend [FLN - Chapter Meetings] on a regular basis, and must attend at least one [FLN - Chapter Meeting] and one [FLN – Power Lunch] every ninety (90) to remain listed as an active [FLN – Member].

[FLN - Power Lunch]

The **[FLN - Power Lunch]** is undeniably the most effective and powerful event that clearly defines the purpose and objectives of the **Florida Lawyers Network**. These events are a unique and powerful way to build and establish relationships in a small group setting. Each event consists of no more than 6 professionals. The events are intentionally small to give each and every participant an opportunity to establish and build new connections, while reinforcing existing ones. Studies show the more often you can connect with your colleagues, the more benefits you will derive and the more opportunities you will experience.

Lunch Format:

Some time in the next 72 hours, your Power Lunch Coordinator will contact you with 3 possible dates and times for your upcoming event. Once the dates, time and venue have been established you are ready to proceed and enjoy a powerful lunch with your fellow members. If you are not contacted by your coordinator, please notify FLN so that we can help facilitate.

To really make it powerful, here are some best practices to implement:

- Do the best you can to select a suitable venue with good food, atmosphere and quiet enough that you can connect with your fellow members.
- Round tables are important and virtually essential in making this a powerful event, so always try and find a venue with a round table and this can really make for better interaction and connections.
- Try and learn as much as you can about the other members, but most of all have fun, enjoy the camaraderie and look for ways that you can provide value and benefit to your fellow colleagues.

[FLN – Members] are strongly encouraged to attend [FLN - Chapter Meetings] on a regular basis, and must attend at least one [FLN - Chapter Meeting] and one [FLN – Power Lunch] every ninety (90) to remain listed as an active [FLN – Member].
