WHAT IS THE FLORIDA LAWYERS NETWORK?

The Florida Lawyers Network is a statewide network of highly-skilled and well-qualified lawyers in each area of practice throughout Florida. Each member must have at least 5 years of experience, and must be well-versed and knowledgeable in his or her designated areas of practice.

Only 3 Attorneys in each area of practice are selected for membership in each Chapter as this provides great diversity, while still maintaining exclusivity. Qualified and experienced candidates are invited to learn more about this outstanding network of attorneys and professionals.
